

**MUNICIPAL WATER DISTRICT OF ORANGE COUNTY
DIRECTOR, DIVISION 7**

SUSAN HINMAN

OCCUPATION: Director, Municipal Water District of Orange
County/Retired Staff Analyst

Insuring the safe delivery of reliable, high quality water to South Orange County cost-effectively is my focus as a Municipal Water District of Orange County (MWDOC) director. To achieve this I support actions to upgrade water conservation, decrease surface runoff, pursue desalination and other water supply options, and make improvements to strengthen our water delivery system.

Qualifications:

Four years as a MWDOC director with knowledge of current water issues,
Special district representative, County Operational Area Executive Board for emergency planning,

Ten years as local water board director, president and vice-president,

Long-time resident of South Orange County with recognized record of community involvement,

Twelve years of governmental experience working for an Orange County Supervisor with public health, fire services, emergency preparedness and budget analysis,

Master of Public Administration Degree,

Board member, Association of California Water Agency's Orange and San Diego County region.

I Pledge:

To be certain MWDOC is fiscally sound.

To protect your public water interests.

To work toward supply diversity and delivery of this vital resource.

Community leaders supporting me: Assemblywoman Patricia Bates, Mayors Joe Soto and Susan Ritschel, Mayors Pro Tem Wyatt Hart and Stephanie Dorey, Council members Mike Whipple, Wayne Rayfield, and Mimi Walters. I respectfully ask for your vote.
